

You'll Enjoy Our 50th Anniversary of Music for Your Community

Save Now With Season Tickets

In the summer of 1969, some brass, woodwind, and percussion players gathered on the Fairfax City Hall steps with one goal: enjoy performing concert band music for the community. It launched The City of Fairfax Band Association's 50 years (and counting!) of live, local, and affordable music for all ages. During that time the City of Fairfax Band has been joined by two other concert bands: The Main Street Community Band and The Northern Virginia Youth Winds comprised of the Junior and Senior groups. Today our nearly 300 volunteer musicians perform in various groups large and small across Northern Virginia and Washington.

They Say We're Pretty Good!

The City of Fairfax Band and other Association ensembles have achieved performance standards that gained national recognition, including North America's most prestigious honor for a community concert band, the Sudler Silver Scroll. Music Director, Robert Pouliot has also earned national praise. The Association of Concert Bands bestowed on him its Outstanding Conductor Award.

Why Buy? Here's Why

You already know music's power to do something wonderful that words can't adequately describe. It's even better in person. But you may not know we are a good bet for enjoying great concert music to the max. Here's why:

Your soul(s) will thank you..

- Kids will connect with tunes they adore.
- Grownups will relish music they cherish.

Your family will thank you.

- Attending a concert breaks the day-to-day routine.
- A concert can be enjoyed by the whole family together.

Your wallet will thank you.

- Tickets are a fraction of downtown/national groups.
- Save even more by getting season tickets.

Your schedule will thank you.

- Our performances are close by, not way downtown.
- Get in and out fast. Free parking. No tollbooth lines.

What a deal!
